From a perusal of the notes in this file it will be seen that the paper referred to in para 6 of the notes supra was never sent to the Law Section. As such it is surprising to find the Muzrai Branch asking the Law Section "to return" those papers.

In this connection kind reference is invited to para 17 of the notes supra.

The records which has been sent to the Govt Advocate

Have just been returned to this office as observed in para 41 Supra. These records comprise of a few and other records of the Muz. Comm. office, as well as two Secretariat (Muzrai) collections. A search ^{into these records} was made and the paper referred to in para 6 Supra is not there. ~~(now covered by the records)~~.

17 ~~While~~ In para 42 Supra the Muz. Branch wanted the Law Section to return the Muzrai Branch "collections" (Vide the correction of the Muzrai Branch Supra in para 42). No doubt two Muzrai collections of the Sectt. have been received from the GA as mentioned by him in para 41. It is the practice of the Sectt. to send requisitions for obtaining reference collections. In accordance with this prevailing practice the Muzrai Branch was requested in para 43 Supra to send requisition slips for the required collections.

Instead of doing that and quite contrary to their note in para 42, ^{Muz. Branch} they want the Law Section to return
